Beloved,

I am excited about our relationship. Your decision to put your faith in me, to surrender to me, and to believe in me as the Son of God who reconciled you back to your Creator, our Father, through my life, death, burial, resurrection, and ascension is exciting. There's so much for us to do together, to explore and to accomplish. It will glorify our Father in heaven, and it will bring glory and honor to my name. Your heart will be satisfied as we walk this path together. Your thirst for unconditional love, unconditional acceptance and enduring purpose will be satisfied. In friendship and love, I will be your Lord, and together we will push back the powers of hell, destroy the demonic kingdom built upon lies, and establish a new family and a new creation whose values reflect the reality of heaven. Together, let's do this each and every day. All I am looking for is for you to say "yes" each morning and follow me.

So tonight, before you lay down to sleep, meet me in prayer and share with me your "yes" to be a life-giving leader who will demonstrate my love, my power and my grace to all of the people you will encounter.

Building Our Father's Kingdom Together,

Jesus
