

THE GOSPEL & MENTAL HEALTH RESOURCE GUIDE

This guide offers local resources and practical information to assist you as you consider engaging with mental health treatment. Our prayer is that you continue to encounter Jesus and receive strength through connection with the Body of Christ while you also consider engaging with professional mental health treatment, if needed.

GENERAL APPROACH for ACCESSING MENTAL HEALTH CARE TREATMENT

1. Speak to your primary care provider about symptoms of depression or anxiety.
2. Visit www.psychologytoday.com to find a therapist or psychiatrist in your area. You can filter your search by location, accepted insurance type, gender, types of therapies offered and other characteristics to help you find a good fit.
3. Review the resource list below for other mental health care treatment centers in the Greater New Haven Area.

ACCESS (APT Foundation) No waiting list for individuals with substance abuse and co-occurring disorders (including those who are actively using but want treatment).
